

Since 1998 HOJA has entertained a million students across Canada with their music, humor, & audience participation, demonstrating their 'full band' sound using just the human voice. The group takes a lot of pride in using their high appeal to be a powerful influence in students' lives and they perform new songs if your students have seen them before.

=== PRESENTATIONS ===

Concert Presentation - Shoot for your Dreams

This highly entertaining concert presentation enhances your arts curriculum, as HOJA encourages your students by example and through participation to get involved in music and drama. It includes a powerful message at the end as the singers relate heartfelt personal stories, encouraging students to believe in themselves and teaching them three simple steps to achieve their dreams.

Grade Suitability: K-12 Duration: 55 mins.

Evening Parent Night

A great way to build community amongst staff, students and parents by bringing them together for a fun evening at the school or to help boost attendance at a special event you are already planning. It works especially well if you've had the group before, as students are excited to hear that HOJA is returning and encourage their parents to come out. The concert includes mostly new songs that your students haven't seen, plus a few of their favorites thrown in. You may charge a small donation to help cover the cost if you wish.

Grade Suitability: K-12 Duration: 55 mins.

Workshops/Artist in Residence

Members of HOJA can work with your students for an afternoon workshop in addition to your presentation, or you can choose a 3-day or full week Artist in Residency. Please contact us to discuss details.

Grade Suitability: 4-12 3-Day: \$3750+GST 5-Day: \$6000+GST

"HOJA was fantastic yet again! Very professional, the kids really got the message, everybody loved it and wants them back again. When you can keep the attention of close to 500 students for an hour, you know you're doing something right!"

Gayla Worden – R.J. Hawkey Elementary, Airdrie

"The talent and enthusiasm that HOJA so obviously displayed had the whole student body 'up' with the very first song – it really was the best assembly we ever had!"

Jan Layh – Churchbridge High School

"I was having difficulty engaging grade 6 boys in music, so I booked HOJA in to perform. Our school has never been the same. Boys and girls who are shy and typically would not want to perform in public opened up to the idea & we've all had fun exploring music & drama."

G. J. Van den Berg - Altadore School, Calgary
