

# JACOB MOON

Jacob Moon is a one-man band who uses live looping to make his guitar sound like an orchestra. He has dazzled audiences across Canada with his voice & guitar for 20 years. Jacob brings poignant storytelling, audience participation, and an inspiring challenge to students to follow their dreams and have faith, even in times of adversity.

## === PRESENTATIONS ===

### Listen to Your Passion

Jacob will have your students on the edge of their seats with his compelling 'live looping' performance style, and will keep them there with great audience participation (students join in on the looping!). Students will learn a valuable lesson on being flexible, learning to embrace the unfamiliar, and a powerful message on the value of investing in yourself even in the face of adversity and obstacles.

*Grade Suitability:* K-12     *Duration:* 55 mins.

### I Can Hear You – Faith based presentation

In this presentation, Jacob brings his one-man-band artistry to the stage, while speaking powerfully about how his faith in God is the underlying source of his hope and the foundation of strength for his life. Moving stories of hearing the still, small voice of God in times of great need will inspire students to dig deeper in their own faith journey. Students will be challenged to move out of their comfort zones with improvisational music play, where they learn to 'listen with their heart' as they create new songs with Jacob, live on stage!

*Grade Suitability:* K-12     *Duration:* 55 mins.

### Guitar Clinic

Jacob brings his extraordinary approach to the guitar and technology to this clinic on how to be a self-contained solo performer and entertain audiences without a band. Guitar techniques, arranging ideas, and a look at the unique looping equipment that Jacob uses to deliver his one-man band show will inspire your students to take their playing to the next level.

*Grade Suitability:* 9-12     *Duration:* 60 mins.
