Presentation Options

Gravity Catastrophe! A Science Show with an Explosive Mix of Juggling & Fun! The Zaniac takes a tornado of juggling skills, combines it with a whirlwind of in-depth physics knowledge, and sends it crashing directly into each student's brain. Topics include acceleration, the scientific method, centripetal force, and the solar system.

Come Alive! Inspiring Creativity through Phys Ed, Arts, and Literacy, Come Alive is an educational and entertaining assembly that excites kids about the joys of reading and teaches the importance of confidence, persistence, creativity, and self-expression. An anti-bullying message can easily be incorporated into this performance.
